Skills

Team Leader

Worked as a leader of a small team on two separate occasions in two vastly different environments. Accomplish team goals on time and to the level of excellence expected in both cases.

Adaptive Learner

Efficiently learned new technology and web development languages while excelling in personal and professional expectations.

Work Experience

Quantum Aviation Services, June 2015 to February 2016

I supervised the Loading and unloading of CLD containers onto large jet aircraft. also experienced in handling individual packages onto small planes. Well versed in marshaling aircraft.

LSG Sky Chefs, february 2016 through September 2020

I worked in a fast paced environment where I guided large box trucks onto the aircraft to cater aircraft. work is done in small teams as well as independently and are constantly moving.
